# YOU ARE INVITED TO THE BLEVINS ANGUS 23RD ANNUAL SALE!

We want to express our deepest gratitude to our family, close friends, and neighbors for their unwavering support over the past year. Integrity, hard work, and a dedication to producing quality livestock are the pillars of our business. We are committed to offering cost-effective, profitable cattle in today's high-cost market. A special thank you goes out to our loyal customers who continue to have faith in our program.

This year, we are thrilled to present yearlings with outstanding structure, phenotype, and athleticism. Our calves are raised on pasture and their mothers' milk, without any exposure to creep feed. You are guaranteed to receive exactly what is grown from superior cow genetics when you purchase from us. Our registered yearling bulls are tailored to meet your requirements, ensuring favorable calving for both heifers and cows.

At Blevins Angus Ranch, we uphold the highest standards. Only proven fertile stock is auctioned, and all bulls undergo fertility testing before the sale. Our veterinarian-approved vaccine program ensures the well-being of our animals, and all registered yearlings will be ultra-sounded by technician Kristen Bailey from Dell, MT. We are excited to welcome you to the sale and share our enthusiasm for these exceptional yearlings with you.
