Annual Bull Sale
FEBRUARY 24TH 2024
BUFFALO LIVESTOCK MARKETING
BUFFALO, WY | 1 PM

**SELLING 70 YEARLING BLACK
ANGUS BULLS**

Welcome!

Thank you for joining us for our 2024 sale!

Honesty, integrity, and a lot of hard work are the values that have kept us in business for years. We are a small family operation with a big heart and mighty work ethic. We started Kretschman Angus with the goal of becoming a household name as an excellent Angus producer and to leave behind a legacy of raising great cattle. Living in the rough country north of Arvada, Wyoming, and nestled in the Powder River breaks, our business journey has had plenty of hurdles to leap. We have always risen to the challenge and found new ways of achieving our goals.

Although we had the wettest year on record here and our grass was very abundant, it did not get hard and pack a punch like you would think and our weaning weights reflect that. We are not complaining, we just want to explain the difference in our weights this year as our cattle do it all on grass. We want you to know that the same great genetics are still there and you can purchase these bulls with confidence knowing that they will perform. We are extremely impressed with how far they have come since weaning.

Our operation remains the same. To raise functional cattle that excel from birth to weaning. We want cattle that have great carcass merit that perform well in the feedlot all while retaining a moderate size and birth weight. We are happy to say that our bulls do all this on grass and mama's milk with no creep feed. We start them on a high roughage ration immediately after weaning to ensure they develop properly all while ensuring good growth, foot development and fertility. All bulls will be fertility tested and have a full soundness exam by sale day. We work closely with our veterinarian team to ensure that you get what you pay for. We choose sires that meet our criteria with body style, performance and maternal backing, not by popularity. We guarantee our bulls for the first breeding season. You can purchase our bulls with confidence, knowing that we are honest about all weights and information from birth to sale day. Videos will be on our website and Facebook as well as DVAuction around the first of February and all carcass data will be available shortly before the sale. We are looking forward to seeing you all soon!

& Clancy Kretschman*

“Kretschman Angus has been a client of ours since we put our shingle out in 2009 and we’ve been proud to be associated with them from day one. We have learned just as much from Kelby and Lacey about husbandry and genetic selection as we have anywhere. The advantage of serving many other clients who purchase Kretschman Angus bulls is we get to see them grow up to become some of the most masculine and moderately framed bulls in their batteries, not to mention their phenotypic and uniform influence on the calves.”
