ANNUAL BULL SALE

CARTER, SOUTH DAKOTA

OFFERING 50 REGISTERED YEARLING ANGUS BULLS

Online Private Treaty through DVAuctions.com

WELCOME

Welcome to Littau Land and Cattle, where we build better bulls for you, our valued customer.

Our program is simple, we breed better bulls with a focus on maternal quality, longevity, and performance. We are not pursuing popular trends, we are pursuing productive cattle for the long haul. If you're looking for solid bulls that produce daughters you'll want to keep, without sacrificing performance, we're just the place for you.

If you were like us, the winter of 2023 was one for the record books. We had triple our average snowfall, below average temps, and lost our calving barn. It was the worst winter in LeRoy's ranching career. Our herd faced the roughest last trimester and calving season they've ever seen. You may notice a few weaning weights that are lower than our normal average. This can be attributed to the rough start these calves faced. They have proven themselves to us since and earned their place in the sale.

Our bulls are being fed a high forage 46 Mcal ration with a target of 3lbs/day. Other programs boast extreme growth EPDs and gains, they do so at the cost of soundness and longevity. These bulls are built for more than just the bunk. Our approach has produced problem free cows and bulls that pay their own way year after year.

Please feel free to ask any questions you may have leading up to the sale. Let us know if you would like to view the bulls anytime before or after the preview day. Our format takes all the pressure off buying a bull with our three day sale format. We appreciate the opportunity to partner with you in your further success in the cattle business.

*Many Thanks,
LeRoy, Ty, and Cody Littau*
