TABLE ROCK SIMMENTALS

FIRST ANNUAL PRODUCTION SALE

APRIL 20, 2024 · 3 PM · BONNEVILLE COUNTY FAIRGROUNDS

LOT 10

LOT 1

LOT 18

WELCOME!

Table Rock Simmentals was formed in 2016 as a seedstock program on our long standing ranch platform, Table Rock Ranch. We concentrate on providing working class seedstock that make their living in high elevation forest service leases and dry farms. Our cattle are all wintered on the ranch situated on the North side of South Fork of the Snake River between Idaho Falls and Swan Valley Idaho. We truly believe that cattle coming out of this environment are fit to go and excel in any conditions. With our concentrated genetic program along with the embryo program we started in 2021 we are committed to bringing you the very best genetics that will profit in any and all environments. We own and flush seven donors currently with the popular TJ 14J being the most recognized to this point and used in numerous top programs in the country. Our cattle are not pampered, every animal in the program including donors run in the Caribou Targhee forest or on one of our dry farms situated on the benches above the Snake river. We enjoy a short but fruitful summer and have a long feeding season at 220 days in good years. The next point of impact we pride ourselves on is the docility side of these cattle. We don't believe in having to look over your shoulder regardless of whether you're tagging a calf or whatever it may be. We cull hard for any type of disposition. With profit being the focus in all operations we strategically choose from the top sires in the industry to bring cattle to you with stayability, great structure, and the carcass/growth to increase your profitability.

A special thanks goes out to all of you that have bought private treaty bulls and replacement heifers from us this year and in years past! Without your support we would not have gotten here!

Our goal is to sell all seedstock animals in 2025 and beyond through our production sale yearly.

Thank you for your consideration,

Geri Storer
Table Rock Ranch

ANNOUNCEMENTS

Announcements day of sale from the auction block take precedence over all printed materials. Anyone attending the sale does so at their own risk and staff and/or Table Rock Ranch or their personnel will not be held responsible for any accidents, injury, or lost/ stolen and damaged items.

We reserve the right to one collection at the seller's expense and the buyer's convenience on bulls for in herd use. Please contact us with any questions.

TABLE ROCK SIMMENTALS

FIRST ANNUAL PRODUCTION SALE

APRIL 20, 2024 · BONNEVILLE COUNTY FAIRGROUNDS

HEALTH PROGRAM

All Animals as calves receive Vista Once and Vision 8 for a total of two rounds and again at weaning. Ivermectin pour on is rotated with injectables on a minimum of 5 month intervals. All are boosted and poured with Ultrasaber in January. All cattle are on free choice loose mineral 365 days a year.

BREEDING GUARANTEE

All bulls in the sale have passed a breeding soundness exam conducted by Dr. John Coplin with Willow Creek Animal Hospital. Bulls come with a one year breeding soundness guarantee. To be eligible bulls must bring \$3000 or more. A salvage value will be deducted from the purchase price and either a replacement or credit towards the next year's sale will be given. Poor body condition and insufficient care along with and such as Frozen scrotums will void the guarantee. Please contact us as soon as possible with any conditions or questions and we reserve the right to request a veterinarian assessment.

PICKUP AND HAULING

Any cattle hauled day of or day after sale will receive a 100\$ discount per head! If you are able to bring a trailer we will make it worth your while. If you cannot haul cattle from the sale grounds we can help coordinate delivery options and/or later pickup dates. Please contact me at or before the sale to coordinate any delivery.

INSURANCE

We encourage you to look into insuring your investment and can provide options if needed. A simple policy in most cases can cover the purchase price of animals.

SALE FORMAT

This will be a video auction with online bidding available. The cattle will not be going through the ring. We will have videos of each lot as they sell and all cattle will be available for viewing on site sale day up to and through the sale.

This sale will be broadcast by liveauctions TV with a full online bidding system. Instructions as follows:

HOW TO PARTICIPATE ON
LiveAuctions.TV

- 1 CREATE AN ACCOUNT**
Click "Register to Bid" on the top right corner of LiveAuctions.tv. Fill out the required information to bid online. Agree to the terms of service and finish with the "register" button.
- 2 REGISTER FOR A BUYER NUMBER**
From the home page or the "all auctions" page, choose the sale you're interested in. When selected, click the "request a buyer number" button. Verify your email address with the email verification link. To verify your mobile number, click "send token". Follow the steps to authorize your mobile device and click "submit".
- 3 BID SUCCESSFULLY**
You will only have to complete the two-step verification process one time. After that, you will be able to immediately request a buyer number on any auction without verification. If you're a winning bidder, your lots will appear in your cart on the bottom of your screen. You will be contacted by the ranch or sale manager for your payment and shipping plans.

IF YOU NEED HELP REGISTERING TO BID OR TO VIEW THE AUCTION PLEASE CONTACT TECHNICAL SUPPORT
(682) 816-4900
OR
TECHSUPPORT@LIVEAUCTIONS.TV.

SALE TERMS + CONDITIONS

HERD HEALTH

Every sale animal and the entire Table Rock Cattle breeding herd is properly vaccinated and boosted annually for 7-Way Clostridium, IBR-BVD-BRSV-PI3, Hamophilus Somnus, Pasturella, Leptospirosis, and Vibriosis. All heifers are calfhooed vaccinated for Brucellosis and every calf born on the farm each year is tested for BVD-PI. All sale animals have been tested negative for Johne's Disease and the cow herd is being tested annually. All animals on the farm are treated at least twice annually with a parasitic pour-on and at least once annually with Safe-Guard drench. All bulls have successfully passed a complete breeding soundness exam.

GUARANTEE ON THE SALE FEMALES

Every open heifer selling is guaranteed to be open at the time of the sale and guaranteed to be a satisfactory breeder provided they are managed for proper and acceptable nutritional and physical health. In the event a heifer proves to be a non-breeder, the customer must contact Table Rock Cattle on or before May 15, 2024 to make a claim. A veterinarian's statement will be required and Table Rock Cattle reserves the right to have the heifer returned if deemed necessary. The customer will be given a full credit (minus salvage value of the original heifer) to be used in a future Table Rock Cattle Sale. Every bred female is guaranteed to be bred on sale day as stated in the sale catalog or as updated from the auctioneer at the time of the sale. In the even any bred female is found to not be bred represented when sold, the customer needs to contact Table Rock Cattle immediately and no later than May 15, 2024. The customer will be given a satisfactory credit on a future Table Rock Cattle Sale. Remember: All potential claims must be made to Geri Storer at Table Rock Cattle on or before May 15, 2024.

RETAINED SEMEN INTERESTS

Table Rock Cattle retains 1/3 semen revenue interest on each bull selling. On every bull, you are purchasing full possession, full salvage value, full decision making, and 2/3rds semen interest. Table Rock Cattle semen interest only comes into play when semen is marketed on the bull.

GUARANTEE ON THE SALE BULLS

Every Bull selling is guaranteed to be sound on sale day to the best of our knowledge and has successfully passed a complete breeding soundness exam performed within 60 days of sale time.

GENETIC CONDITIONS

The knowledge and testing technology for all types of genetic conditions is almost changing daily. What we knew to be policy yesterday may be obsolete today. Our policy at Table Rock Cattle is to fully follow and abide by any and all testing and reporting policy pertaining to genetic conditions as recommended by the American Simmental Association. We further state that our personal policy is to not market any animals known to be carriers or suspected of being carriers of any genetic conditions classified by the ASA as lethal and/or high occurrence. On any animals known to be carriers of other non-lethal genetic conditions that the ASA recommends testing, we will test and provide results on any animals marketed. For full disclosure and explanation of all genetic conditions monitored by the ASA, please refer to the TraitTrac shown on their individual pedigree on the ASA website.

FULL PURCHASE VALUE EXTENDED WARRANTY ON SALE BULLS

Every bull selling carries a 100% guarantee extended warranty for one breeding season, provided the bull is managed for proper and acceptable nutritional and physical health, not to exceed six months beyond sale day. In the event customer has any problem with a bull should immediately contact Table Rock Cattle to report a claim. A veterinarians statement of the problem will be required and Table Rock Cattle reserves the right to have the bull returned if necessary. A replacement bull of mutually agreed upon quality will be provided if Table Rock Cattle has one available with delivery expense not to exceed Table Rock Cattle Delivery amounts on regular sale day animals. If a satisfactory replacement bull is not available, the customer will receive be given full sale credit (minus salvage value) to be used at future Table Rock Cattle Sale. Table Rock Cattle will not be responsible for any settlement amount exceeding the purchase price of the bull. Remember: All Potential Claims must be made to Geri Storer at Table Rock Cattle prior to May 15, 2024.

Without a doubt the best all around heifer pair in the offering this year and one we will hate to see go. Growth, pedigree, perfect uddered, and great in every aspect LCDR Progressive daughter. This female would be in any donor program without a doubt and could easily hold her own in any program. She has a TRCR Clearwater heifer calf at side that should mimic her and has an impressive EPD profile herself.

A CCR Cowboy Cut daughter that has produced a Private treaty selling bull and a solid replacement heifer still in our program. Unfortunate for us she has fallen out of our calving window, she is bred to Table Rock H12 and due 5-20-24.

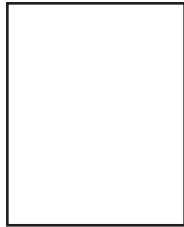

TABLE ROCK EMBRYO PROGRAM

Table Rock Simmentals has a successful established embryo program that we have worked tirelessly on. With seven different donors including some of the best in the country our program has provided embryos for numerous top producers in the country! Look for these ET calves across the Simmental world. We have embryos available for purchase and use in your program. Please feel free to speak with Geri Storer personally for any questions and pricing.

Gerri Storer
605-595-3726
geri@tablerocksimmentals.com

If you would like to see your bull in our embryo lineup please feel free to contact me, we love to talk about cattle and genetics!
