*Just Quality* **BULL SALE**

**TUESDAY, FEBRUARY 20, 2024 | 1 PM**

*Selling over 100+ Quality Charolais Bulls.*

MARTIN-TRUDEAU INSURANCE

**LIVESTOCK**  
DIVISION

*Livestock Insurance endorsed by the South Dakota Angus Association & the South Dakota Simmental Association*

## Bull Mortality & ASD Infertility Insurance

The coverage provides traditional, full mortality for death from natural causes or humane destruction as a result of a life-threatening injury. The endorsement for Accident, Sickness & Disease Infertility provides coverage in the event of permanent impotency, infertility or the bull's inability to naturally service cows as a result of an accident, sickness, or disease sustained during the policy.

**Values:** Not to exceed purchase price

**Term:** Renewable One-Year Policy Term for Bulls 6 Months - 7 years of age

**Premium:** \$200 Minimum Premium Per Policy

**Testing:** All bulls must be tested, certified and listed in the official catalog of a herd sale

**Mortality Payout:** 100% of the value of the bull in the event of death or humane destruction as a result of a life-threatening injury.

### Option 1:

#### Accident, Sickness & Disease (ASD) Infertility:

(Winter Freeze & Frostbite Covered)

**80%** of the value of the bull, less salvage value, in the event of permanent impotency, infertility or being incapable of serving females as a result of an accident, illness, or disease sustained during the policy.

### Option 2:

#### Accident, Sickness & Disease (ASD) Infertility:

(Winter Freeze & Frostbite Covered)

**100%** of the value of the bull, less salvage value, in the event of permanent impotency, infertility or being incapable of serving females as a result of an accident, illness, or disease sustained during the policy.

### Mortality Only Coverage

We offer mortality only coverage options for 91 days through 7 years of age. Available upon request:  
Ages 24 hrs to 10 years.

### Semen Suitability

This endorsement can be added to Option 1 or Option 2 (above) and provides coverage in the event the bull semen will not freeze in liquid nitrogen.

### Frozen Semen & Embryo

This endorsement can be added to Option 1 or Option 2 (above) and provides coverage for semen and embryos (coverage does not apply to tank/storage itself, only and embryos) in storage or transit.

# Welcome Fellow Cattlemen!

---

The Garner family has been raising quality Charolais bulls for over 57 years. Three generations have put their heart and soul into this ranch. Every year, hard work goes into bringing the best cattle we can to the commercial cattleman.

2023 has been a great year for the Garner's. Everyone is busy living their best life. Cyrus continues to teach school in Adrian. He is now teaching history at the high school level. McKayla works online so she can spend time being a great mom. Gus started preschool and loves anything that has to do with tractors and bulls. Maggie is a tiny sweet girl that loves her babies. True has taken over the breeding decisions and spends countless hours investigating new blood for the breeding program here. Katlyn works with the ranch, coaches basketball and is a great mom to Blair. Blair is 15 months old and knows all of her animal sounds. Jon and Maya bought a house in Nyssa. Maya teaches 5th grade and Jon is working at the sugar factory. Giles is busy taking care of the physical aspects of the ranch. Brenda is working in town with public relations. Giles and her got engaged in November. Lea is in her 2nd year at college and enjoys her promotion at work. I continue to work at the high school and love that my family surrounds me. There is nothing that compares to being a grandma.

Our lineup this year is exciting. We have proven A.I. sires such as JMar Benaiah IE66, ACE-ORR Efficient 972, WCF Mr Silver Gun 467, LOF/VPI Abraham 48A, and OW Lead Time 6294, combined with our walking herd bulls that have proven their success over the years. This includes our two Ledger Bulls, V-A-L Ledger 3509 and V-A-L Ledger Z30, WCR Big Ben 8260, V-A-L Rushmore 158, V-A-L Red Ledger 6355, V-A-L Mac Ignition F-139, V-A-L Rojo 6776, V-A-L 357 Magnum, V-A-L Wrangler 4122, LT Fargo 0683, and LT Affinity 0597.

We are thrilled to see every one of you at the sale this year. We love all of the relationships we have gained in this business. We are so grateful for you all. We love this business and hope to bring you quality seedstock for many years to come.

Dear Friends,

Welcome once again to the "Just Quality" Bull Sale! We are extremely excited that V-A-L Charolais has invited us to be a part of this unique sale for the past 23 years.

The bulls that we are offering in this sale are out of RB UB PASSPORT 134E1 and Spring Cove LONGEVITY 138E, OUR RESIDENT HERD SIRES AND TEHAMA TAHOE B767.

The bulls entered in this sale are a quality set of bulls. I have been very pleased with how they have performed on the Feed Efficiency test at Snyder's Feedlot in Yerington Nevada. At Snyder's, the bulls have been on a Grow Safe system to test for Residual Feed Intake and also on how they convert. This information will be made available on sale day.

The bulls in this sale will sire 70-90 pound calves with an abundance of hybrid vigor and growth.

The Angus bulls in this sale are out of DEER VALLEY GROWTH FUND and SPRING COVE LONGEVITY 138E OUR RESIDENT HERD SIRE.

Thank you for taking the time to look through our catalog and attend the sale. If we can be of further help, please don't hesitate to give us a call.

Thanks again, Greg & Sheryl Romans.
